

For this reason a man shall leave his father and his mother, and be joined to his wife; and they shall become one flesh. And the man and his wife were both naked and were not ashamed. Genesis 2.24-25

The math of marriage (as defined by God) and the way modern math (as defined by man) handles marriage.

It was Adam and Eve. If it had been Adam and Steve there would not have been Cain or Able or Seth. The party would have been over even before it really got started.

1. Is marriage just a social union or a legal contract or is there more to it than that?
2. What are some reasons people get married?
3. What are some reasons people do not get married?
4. What are some of the benefits of marriage?
5. Why should Christians get married?
6. Should everyone get married?
