

20. What is the difference in the points of view between God, Moses and the people when it came to their understanding of the purpose of their lives?
21. Moses was not a perfect Man, leader, or follower? Write down his shortcomings, his strengths, his excuses, and how God responded to each one. After that answer the question: What can I learn about my own shortcomings, strengths and excuses and my relationship with God?

For Further Study:

The Hebrews seemed dead set on focusing on the negative. In fact daily problems became major confrontations between them and Moses. How would applying the principals of Matthew 6.25-34 to their lives have made the trip go better.

What are believers not suppose to worry about?

What are believers suppose to focus on instead?

How would this have helped the Hebrews have a better trip across the wilderness?

Hit the Road Moe (Moses that is)

1. The Hebrews had been suffering for most of the 400 years they had been in Egypt. How would the promises to Abraham, Isaac and Jacob help them in their suffering?
