What to watch for this week.

These are included to help get you started
with your devotional each day.

1. **(Sun)** This week watch for the way people handle the arrest of Jesus. Why were his disciples such failures even though he had warned them about what was going to happen?
2. **(Mon)** Watch for how Jesus responds to their questions. Why did they get so upset at his response to their questions?
3. **(Tue)** Watch for the way wicked people try to justify their actions. Why did they work so hard to convict him in a court of Law?
4. **(Wed)** Watch for the way Peter tries to stay close to Jesus without getting personally involved. Why is he such a failure here?
5. **(Thu)** Watch for the interaction between Jesus and Peter. How could knowing this would happen in advance later help Peter repent and recover?
6. **(Fri)** Watch for the the way evil men try to justify their actions. How are Jesus' answers received by them? Why doesn't he try to defend himself?
7. **(Sat)** Watch for the way Judas handles himself after realizing his sin. What did he do right? What did he do wrong? How can this help you in your spiritual battles?
