What to watch for this week.

These are included to help get you started
with your devotional each day.

1. **(Sun)** This week watch for the growing number of witnesses to the resurrection. Why was it so important for Jesus to establish the resurrection?
2. **(Mon)** Watch for the transformation in the lives of the two on the road to Emmaus. Why did Jesus teach them before he revealed who he really was?
3. **(Tue)** Watch for the way the different disciples respond to the resurrection of Jesus. What was the most important promise he made to them during this time?
4. **(Wed)** Watch for the struggle Thomas goes through when others tell him about Jesus. How is the faith of anyone today greater than Thomas' faith?
5. **(Thu)** Watch for the way Jesus reveals himself to his followers. How does this help them prepare for a life in ministry? Why is there not report of his revealing himself to the masses in the city?
6. **(Fri)** Watch for the way Jesus challenges Peter. Why would Jesus keep asking the same question over and over?
7. **(Sat)** Watch for the three things Jesus wants his followers to do. List them. Are these evident in your local church? How?
